## Housing Activities

Northwest Affordable Housing (NWAH) provides funding assistance to qualifying clients in the counties of Ashland, Bayfield, Burnett, Douglas, Iron, Price, Rusk, Sawyer, Taylor, and Washburn to make major housing repairs or to purchase a home. The housing program is targeted specifically to qualifying Low- to Moderate-Income (LMI) households (household income at or below 80% county median income).

### OWNER-OCCUPIED REHABILITATION

Funds are provided for making essential improvements to single-family homes serving as the principal residence of LMI owners. Eligible costs include energy-related improvements, lead-based paint hazard reduction, and repair of code violations.

### HOMEBUYER ASSISTANCE

Direct assistance may be provided to eligible homebuyers for acquisition (down payment and closing costs), acquisition and rehabilitation, or new construction.

### HANDICAPPED ACCESSIBILITY

HOME funds may be used for accessibility modifications to a dwelling unit occupied by an LMI person who is physically handicapped. Typical modifications include: ramps, grab bars, accessible shower stalls, wider doorways and hallways, and the installation of door handles, in place of door knobs.
